

REDEFINING FEAR

Our theme for Motivated Entrepreneur Meet-Ups in 2024 is *Redefining Fear*, inspired by the idea that fear should not keep you from pursuing your dreams.

Join us this year to rewrite your definition of fear as you navigate your business journey surrounded by a community of experts and fellow entrepreneurs who want to provide resources, education and encouragement. **Because doing something scared does not mean doing it unprepared or unsupported.**

MY FEARS ARE...

I WILL OVERCOME MY FEARS BY...

Write **your** definition of fear: list a word that inspires you for each letter.
